**From the Editor**

As we approach March we can begin to look forward to longer hours of daylight and hopefully warmer weather with spring approaching.

Fr Sebastian has now been with us for 7 months and is keen to encourage the development of Springline as a single parish and a number of new initiatives will shortly be introduced.

Starting from March, we will have a United Parish Service on the last Sunday of the month which will rotate across the villages, the first United Parish Service will be at Scampton on Palm Sunday 25<sup>th</sup> March.

After Easter a weekly Rector's Surgery will take place every Thursday again rotating across the villages, a short service followed by discussion time and visiting the sick and elderly. A schedule of dates and villages will be published in the next bulletin.

A Parish Diary is in the process of being put together and this will be published as an attachment to the e-bulletin.

Please let me know details of any events being held in your villages so they may be included.

I would like to thank the people who contacted me following the publication of the first e-bulletin to express their appreciation for our new communication channel. I hope we can make it more interesting in the future but to do this we need input from yourselves.

Kind regards

John Moore

## **From Our Rector**

Snowdrops are giving way to daffodils ... and the birds are on the wing. Wow! Spring's definitely in the air ... I am delighted John is publishing the second Parish e-bulletin. I wish you all a Happy and Holy Season of Lent. Let us take to heart the message of Jesus: "Repent and believe in the Good News. The Kingdom of God is near at hand!" One way of doing this is to spend at least 5 minutes a day in silence before the Lord in prayer, may be lighting a candle or with a Bible in your hands ... the Lord will speak to you in the silence of your heart ... (Father Sebastian)

### ***A Jesus Prayer***

*(a beautiful Lent Prayer, to be repeated with every beat of the heart)*

***While breathing in:* Lord Jesus Christ, Son of God,**

***While breathing out:* Help me love and follow you.**

## **A Prayer for Lent**

Father.

You have taught us to overcome our sins  
by prayer, fasting and works of mercy.

When we are discouraged by our weakness, give us confidence in Your love

We ask this through Our Lord Jesus Christ Your Son

Who lives and reigns with you and the Holy Spirit

One God, for ever and ever Amen. (*International Committee on English in the Liturgy "ICEL"*)

## **Morning, Evening and Daily Prayer**

You can use your smart phone or broadband connection to log on to The Church of England Daily Prayers and use the prayer, wherever you are to connect to God during the day or night. One of the user-friendly links is <http://www.oremus.org/cofe.html>.

## **Healing Service**

We are starting a series of healing services in the parish.

These will be quiet, reflective services which offer prayer to anybody in need. Jesus healed all the sick people who came to Him, so we know that God wants us to be well. So please bring needs for prayer: these might be your own needs or the needs of somebody you love or know – people who are physically sick or who just need to touch of God in their lives.

The service will be led by Father Sebastian and members of the Ministry Team at Cammeringham Church. Please join us this Sunday 25<sup>th</sup> February at 5.00 pm.

## **Springline Choir – Come and join us!**

*‘Singing in a choir is cheaper than therapy, healthier than drinking and more fun than going to the gym.’*

If you like to sing and think you may enjoy singing in a choir, why not come along to a rehearsal or two and give it a try? You will be made very welcome – especially if you sing alto!

As we give performances, basic requirements are the ability to sing in tune, make a pleasant sound and blend your voice with others! If you can read music, that would be a bonus but is not essential.

Established just over ten years ago, Springline Choir is a small, community choir, currently of women’s voices, though we would welcome male voices too! We meet weekly in Burton Village on Monday evenings, when we rehearse a variety of music, both sacred and secular, under the direction of Alex, our new Musical Director and accompanist.

We are essentially a community choir, performing concerts and singing at the invitation of various groups within the community. Although our membership comprises people of different religious persuasions and none, as a choir we have a friendly relationship with the churches in the Springline Parish, who invite us, from time to time, to provide and support music in church, which we are happy to do.

To find out more, or arrange to come along to a rehearsal – no strings attached - email [annmarsden1984@gmail.com](mailto:annmarsden1984@gmail.com), or call 01522 808460
