

## **Corporal Kevin Turner**

Corporal Turner was killed in an aircraft accident on 25 May 1986 at the RAF Mildenhall air show. He was the co-pilot of a Gloster Meteor T MK 7 which collided with a Vampire XH304 whilst flying in formation during the air display & crashed, killing both crew of the Meteor aircraft ( F/Lt Potter and Cpl Kevin Turner). As a direct result of this accident, public display flying was limited to singleton aircraft.

These aircraft were known as The Vintage Pair on the airshow circuit.

This is a link to the incident which includes a video of the crash.
