2021 This Is Fresh and Fruity Chenin Blanc (£5 at M&S):

For me, this mouth-watering South African white is the pick of M&S's budget "This Is..." wine range, offering fantastic value for money. Fresh with orchard blossom aromas, it brings us baked apple, melon and grapefruit marmalade flavours neatly combined with lively lime acidity and a savoury (slightly pithy) finish.

2021 Blueprint Romanian Pinot Noir (£5.99 at Waitrose):

This kindly priced Romanian pinot noir certainly meets Waitrose's goal for Blueprint wines – "outstanding, great-value examples of classic wines". Pale with typical pinot aromas, it is an uncomplicated red featuring bright cherry, raspberry and blueberry flavours partnered by soft tannins and moderate acidity with traces of sweetness and smokiness.

Springline Good Neighbours Annual General Meeting

**Cammeringham & Ingham Village Hall
Thursday 13th October 2022 at 7pm**

Trustees, Members & Clients are most welcome to attend.
[Please note that membership subscriptions are due by this date]

The charity's activity in August

August has been a very busy month for Springline Good Neighbours - 54 jobs were carried out which is the highest monthly number we have ever completed. Bearing in mind that August is holiday time we are particularly proud to have risen to the challenge, meeting every request for assistance. A big 'thank you' to all our volunteers who have made this possible.

Springline Coffee Morning

The coffee morning is held on the first Saturday of every month, 10 - 12, in the Ingham and Cammeringham Village Hall. It is open to everyone, including residents from all of the Springline villages, and all are very welcome. The coffee morning is proving to be very popular with numbers growing each month - possibly word is out about the delicious homemade cakes and scones that are served, with tea or coffee, for a modest donation of just £1.00. Come and make some new friends, we would love to see you!

Pie and Pint

A Springline exclusive for clients and volunteers.

Last Thursday of the month, 4pm - 6pm, at the Black Horse, Ingham. The cost is £7.00 which includes pie, chips and peas, plus a pint, or glass of wine, or a soft drink. A lovely sociable event and no cooking or washing up!

Booking is essential so if you would like to attend, please call Jo on 07492 751383 (latest by the Sunday prior to the meal).

Revd Canon Penny Green

By the time you read this, a significant period in our history will have passed. The death of the late Queen Elizabeth II came suddenly and as a nation we will have observed a period of mourning. This has been a strange period of time in some ways. We are not accustomed to mourning as a nation, but at the same time, life continued. Some of us sat glued to our TVs, others made a pilgrimage to London to be a part of something and to pay their respects.

This whole period has made me think about our need to connect with each other and to belong. I have always believed that we are created to live in community. We are interdependent. We learned that again through the period of the pandemic, but we know it every day. As we progress, we are now even more aware that we are a part of a global community. One of the things that struck me about tributes to the Queen was that they came from all over the world. She was not someone who only had an impact on those with whom she had direct contact. She had influence over people across the world – her words, her faith and her legacy have set a tone for so many people.

In a Christmas address she commented that millions of people follow the teaching of Jesus Christ, and that she was one of them. She owned her belief, her faith and her need to belong. We all need that don't we? We all have a need to belong to something, or someone. For those with faith that is a belonging to someone beyond themselves. Often people ask me why I joined the church. To be honest, the Church for me is secondary to my belonging to Jesus. It was Jesus, Son of God, who changed my life, it is my belonging to Him that has shaped who I am and who has given me an identity as a child of God. To whom or what do you belong?

Many blessings

Penny

Glentworth Parish Council Update

This update is based on the decisions and discussions at the last meeting of the Parish Council and actions since. A full copy of Minutes can be found on the Parish Council website or noticeboard.

Glentworth Parish Council were deeply saddened to hear of the passing of the Queen. The thoughts of Councillors are with the Royal Family at this time. A book of condolence has been available at St. Michaels Church during the period of mourning.

Work on the Recreation Area Project begun in early August however, despite good early progress, there have been a few delays due to the weather and over-runs on other projects. The project, which is being funded by a £16,957 grant from FCC Communities Foundation, will provide a new climbing frame, play boat, somersault bars and seating. John Latham, Chairman of Glentworth Parish Council is excited that the project is starting to take shape. He says: "It's great to see our vision for this vital community facility moving closer to reality. We are extremely grateful for the funding FCC Communities Foundation has given us and we're looking forward to opening to the public." FCC Communities Foundation is a not-for-profit business that awards grants for community projects through the Landfill Communities Fund. An opening ceremony will be arranged once the park is complete and inspected. We hope you all enjoy the new park.

The Parish Council have been made aware of the proposed Tillbridge Solar project which seeks to locate a large number of solar panels close to our village and on land between us and Corringham. A questionnaire has been circulated to the community to gauge opinions before the Parish Council agree any comments. If you have not been able to complete this or have lost a copy please send an email to the Clerk.

We have also been made aware of plans to install further oil well close to the existing wells on Northlands Road. We are hoping representatives of IGas will join a Parish Council meeting soon to reveal more information.

Glentworth Village Hall

Due to the sad passing of the Queen the Scarecrow Festival and Village Show was cancelled.

On 15th October 2022 there will be a concert of mixed choral and orchestral music by St. Cecilia Singers and Lindsey Chamber Orchestra. Please contact Simon Stiles (simonstiles@me.com) for tickets.

From the PCC Secretary

From October we are starting a new service rota which involves some changes of times etc. with the reduced number of clergy in the deanery, the new rota has been designed to take into account the available resources. It is proposed that this rota will be in place until January when we will again review the pattern of services taking into account the availability of Clergy and Readers. Please let me know if you have any observations so we can take these into account when we review things in December. I am pleased to say that we have already managed to arrange all our Christmas service with something happening in every church during the Christmas period. We managed to arrange for all our churches to be open with books of condolence available during the period of mourning for our late Queen and thank you to all who helped in arranging this.

Kind regards

John Moore Secretary to The Springline Parish PCC springlinepcc@btinternet.com

INGHAM & DISTRICT BOWLS CLUB

LAWNBOWLS

IS WHAT THE COOL KIDS PLAY

With the end of the outdoor bowling season our attention now turns to the green, which took a battering this long hot summer. We will be working on getting it back to looking like a bowling green and not a scorched field. This work will be undertaken over the autumn and winter so hopefully come April we will have a green fit to bowl on.

We had better luck this season finishing mid-way in the West Wold afternoon league and getting players into the final of the open pairs and singles competitions held by the West Wold league. We also sent a couple of teams to the North Kelsey Gala Day which was held on the 29th Aug and am pleased to report that one of the teams won the competition so well done to them.

The club will be holding its AGM on the **Thursday 27th October at 7pm**
all are welcome to attend.

Ingham Parish Council Update

This update is based on decisions made at the last meeting of the Parish Council and actions since. You can find the most recent agreed minutes on the Parish Council website <https://ingham.parish.lincolnshire.gov.uk> and the Parish Council noticeboard.

It is with deep sadness and regret that the news of the death of our Queen Elizabeth II was received. The Parish Council arranged for the flag on The Green to be flown at half-mast for the appropriate length of time. A book of condolence has been available in All Saints Church for parishioners to record their messages. We thank Mr Corringham and All Saints Church for their help with these matters.

Recreation area project: The new Ingham Play Park is now open and its fantastic to see so many of you there. An official opening ceremony will be arranged at the play park and the District Councillor, County Councillor, FCC Communities grant manager, staff and children from the school and other community members will be invited to attend. Mark Nicholson, Chairman of Ingham Parish Council, is delighted that the play park is now in use. He says: "This vital facility is going to make a real difference to those who use it, as well as the wider Ingham community. We are extremely grateful to FCC Communities Foundation for providing funding as we would not have been able to go ahead without its support." FCC Communities Foundation is a not-for-profit business that awards grants for community projects through the Landfill Communities Fund

The tennis court was temporarily closed to the public during late August and early September so that pest control measures could be undertaken. You will be pleased to hear that there is no longer any sign of pest activity. The tennis court is now open to parishioners and is free to use.

Neighbourhood Plan: The steering committee last met in September and were joined by Openplan Consultants. The strategic objectives and vision statement were reviewed and a timeline for completion has been agreed. It is hoped we will be at regulation 14 stage by year end. A grant from Locality has been successfully applied for along with funding for a design code review.

We have been made aware of the Community Speed Watch scheme offered by Lincolnshire Road Safety Partnership. This allows trained volunteers to undertake visible speed checks at the roadside in a controlled and authorised manner within the parish. The police will train and monitor parish volunteers to carry out speed checks. The police will send letters of advice to the registered keeper of any vehicle exceeding the speed limit. Speed enforcement of course will remain the responsibility of Lincolnshire Police and will continue to be carried out by trained police officers. If any parishioner would be interested in volunteering, please let the Clerk know.

There are two vacancies for the position of Councillor. If you would like to find out more about the role, please contact the Clerk.

Scampton Rocks And Ingham Rolls!—

On August 6th Scampton and Ingham were alive to the sound of live music. The sun shone and the crowds turned out to listen and dance to the great bands that played.

Scampton Rocks is an Annual Event that has become a regular date in the diary for locals. Live Acts, bar and food was on offer and the music lovers also brought their own picnics and drinks to share with friends.

This year saw The Soul Solution, Sherriff Ants, Nathan Berger, Spot On and The Curiosity Band.

The Black Horse Ingham hosted a Bands and BBQ Charity Night to raise money for a young man who had recently undergone surgery for a Brain Tumour.

A packed beer garden of families and friends and Ted the Labrador enjoyed great music, provided by Russell Vincent, Stu and His Prisoners, Jasmine, and Rick Stanton and friends who were joined by a young singer making her debut performance- Heather.

Jo Green and Mark Hopkinson, Richard and Mark thank everyone who donated. £285.00 was raised.

Its great to have live music back and we look forward to many other events in our local villages !

Pre-Advent Calendar for

People are becoming increasingly desperate as the cost of living crisis bites. Christmas will be a disappointing time for many families.

In an Advent Calendar we open a window every day for a treat – usually chocolate. But in a **REVERSE** Advent Calendar we buy something to give away. In next month's magazine we will provide a list of (fairly cheap) things to buy for every day in November which we will hand over to Foodbank to bless those families which are really struggling. And we invite you all to join in with us.

I like it now we don't have chocolates in our Advent Calendar!

Hello,
This is such a personal selection that can still move me to tears. You will understand. I've tried to put them in some sort of order but I hand over full editorial rights to you...

1. **The Lark Ascending.** Subtitled "A Romance" - Vaughn Williams
We are so lucky to be able to wander our local fields and hear the Spring heralded by the larks.
2. **7 seconds away.** Youssou N'Dour and Nene Cherry.
In 2004, Rolling Stone magazine described him as perhaps the most famous singer in Africa. Between 2012-2013 he was Senegals' Minister of Tourism.
3. **The Valley.** Jane Siberry
Wonderful lyrics, sung by my favourite female voice, kdlang. Released 2004.
4. **Sorrowful Songs.** Symphony No 3 by Gorecki.
Gorecki was a Polish writer who was credited with the renaissance of postwar music in Poland inspired by historical texts and traditional folklore melodies.
5. **Black Rose**
Sad Café were formed in Manchester in 1976. I saw them often at the theatres in Liverpool. Still currently performing, they were a great live act.
6. **Desperado** The Eagles
Based on the themes of the Old West, the Eagles released this in 1973. With many music awards, the Eagles were one of the most successful bands of the 1970s in North America.
7. **Golden Slumbers, Carry that Weight, The End.** Lennon McCartney - The Beatles.
How does one choose a single Beatles track? Music that transcends race, religion, politics and everything that can divide us.
8. **Can't Find my Way Home.** Steve Winwood
A back catalogue like no other, he has written for and played with some of the greatest musicians ever. If you can, listen to him playing this live with the fire crackling in the background. (YouTube) A simple yet magical track, always on my playlist. I really believe this is a piece of music with life affirming lyrics

WHAT'S BEEN HAPPENING

ASB – active patrols to deter antisocial behaviour and address any inappropriate behaviour. A substantial amount of alcohol has been seized off underage children.

We have had some issues with large groups meeting up in parks to have party's; parents/carers please be advised that it is not appropriate to be dropping their children off at parks with alcohol.

Pets / extreme weather conditions – to avoid your pets getting burnt paws please only walk them in early morning, or late evenings when the ground is cooler.

Also do not leave pets and children in your cars as it only takes minutes for the heat to become at a dangerous level. It is a criminal offence if your actions cause distress/harm to your pets/children.

Neighbourhood Police Team (NPT) Email – please do not email your local NPT Team when an incident is occurring in as the NPT email is not monitored 24/7, please call 101 or 999 at the time and only use email for general information
